Messes. Henry P. Witson & Co.—My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use.

November 1. Massas. Henny P. Willion & Co.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now in use. I shall continue to use them with pleasure.

REV. II. H. HARTWELL, Lawrence, Mass.

November. MESSES. HENRY P. WILSON & Co.: I have used your Unir Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head, or hamers, or to those whose hair is falling from the head.

Ray, G. W. H. CLARK, Great Falls, N. H.

Massas, Henry P. Wilson & Co.: I deem Mrs. Wil-sen's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many in-stances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, cure entirely the most painful headaches—and in some instances most serious humors Personally, I have been a sharer in several of these benefits. Rev. HENRY HILL, Manchester, N. H.

MRS. WILSON'S

COCOA-NUT OIL HAIR DRESSING

Mrs. Wilson's Hair Dressing is put up in large bottles, and retalls for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and beauty. Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

Are you sick, feeble, and complaining? Are you out of order, with your system de-ranged, and your feelings un-comfortable? These symp-toms are acceptable.

order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the bnoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering freen the disorders they cure.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore.

Dran Bro. Aver.: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Billious Disorders - Liver Complaints.
From Dr. Theodore Bell, of New York Colf. Not only are your Pills admirably adapted to their purpose as an aperient, but I fir. I their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is werthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

Siz: I have used your fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in exteem as one of the best aperients I have over found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for billions dysentery and diarrheas. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

ATER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.
